**Jackson Purchase Medical Center** is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier*® and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Lifepoint Health and community partners, like you, we continue to make a positive difference together and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Thank you.

**Dave Anderson, CEO**

## 2022 Community Benefits

**Added 69 employed and independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in family and internal medicine, family medicine with obstetrics, cardiology and more.

**Made more than \$3.6 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included elevator modernization, a DEXA scanner for radiology and an expansion to the Senior Behavioral Health Unit.

**Distributed a payroll of \$51,904,310 to approximately 600 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

**Donated nearly \$8.9 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

**Paid \$6,590,563 in taxes**

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Team members at JPMC and local leaders cut the ribbon on the expansion to the Senior Behavioral Health Unit.

JPMC team members and volunteers gathered at the Mayfield-Graves County Needline and Food Pantry, the first recipient of many to receive funds from Lifepoint Health's \$1 million donation to the restoration of Mayfield and Graves County following the December 2021 tornado.
