At Jackson Purchase Medical Center, we're proud to be a vital part of the communities of Graves County and the surrounding Jackson Purchase region, and we are privileged that our neighbors choose to come to us for compassionate, quality care that's close to home.

—David D. Anderson, CEO

Jackson Purchase Medical Center's mission is Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for our neighbors today and for generations to come. Here are just a few ways we made the communities of Graves County and the surrounding area healthier in 2017.

Delivering high quality patient care and supporting our physicians

The most important contribution we make to our community is providing high quality care close to home. Quality and service are at the center of how we care for our patients, and we continually invest in our facility to ensure we can meet the healthcare needs of our community. In 2017, we made **\$1,019,552 in capital improvements**, including a CT guided sinus machine, hematology analyzer, GlideScope, ureterscope and bronchoscope.

Inviting the best physicians into our community and supporting them also is a key driver of our efforts to ensure access to high quality care and service. During the past year, JPMC added **a new physician** in urology.

Creating excellent workplaces for our employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our **590 employees** can effectively use their skills in providing high quality care and service; and we managed and distributed an **annual payroll of \$39,320,479**.

Taking a leadership role in the community

We are proud to be a leader in our region. Supporting local organizations and delivering healthcare to all of our neighbors, regardless of their ability to pay, are foundational to our commitment to the overall well-being of our community. In addition to numerous sponsorships and charitable gifts, we delivered more than **\$847,000 in charity care to those in need**.

Being fiscally responsible

Our commitment to ensuring fiscal responsibility extends both to our hospital and to the community. In 2017, we paid a total of **\$1,782,395 in taxes**.

Thank you for your continued support as we continue to make our community healthier in 2018 and beyond.

JPMC staff are #MarshallStrong and stand in solidarity with the Marshall County community.

The staff of our Advanced Wound Healing Center were proud to receive a Center of Distinction Award in 2017.

LIFEPOINT HEALTH®

MAKING COMMUNITIES HEALTHIER

Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to affiliates or subsidiaries of LifePoint Health, Inc.

Jackson Purchase Medical Center is part of LifePoint Health®, a leading healthcare company dedicated to Making Communities Healthier®. Through its subsidiaries, it provides quality inpatient, outpatient and post-acute services close to home. LifePoint owns and operates community hospitals, regional health systems, physician practices, outpatient centers, and post-acute facilities in 22 states. It is the sole community healthcare provider in the majority of the non-urban communities it serves. More information about the company can be found at www.LifePointHealth.net.
